

# **NORTHERN ROLL ROLLER SKI CHALLENGE SERIES 2025: EVENT #2 HOSTED BY YDCCSC**

**14 June 2025**

The Brownlee Centre, Leeds

A fun and sociable challenge against the clock with roller skiers from other clubs. Suitable for everyone who has reached 1\* Nordic Proficiency level in their chosen style.

There is a choice of 2 courses - the full 1.6km circuit, or the 750m loop from the bridge downwards, cutting out the hill. The aim is to ski as far as you can in an hour, so it's a great opportunity for those with less roller ski experience to put into practice what they have learnt - and you can dip in and out of the hour as you wish.

# **NORTHERN ROLL ROLLER SKI CHALLENGE SERIES 2025: EVENT #2 HOSTED BY YDCCSC**

**14 June 2025**

The Brownlee Centre, Leeds

After the race, there will be an equipment bring and buy sale - selling off/passing on surplus YDCCSC kit (snow skis, boots and poles, and some roller ski equipment too).

The entry fee for the Northern Roll is £10 adults and £5 juniors and students.

The deadline for booking is 11pm on Thursday 12th June if you have your own equipment.

If you need to hire any kit, the deadline is 11pm on Saturday 7th June.

## ABOUT THE NORTHERN ROLL ROLLER SKI CHALLENGE SERIES 2025

The annual Northern Roll Roller Ski Challenge Series comprises four events at four cycle circuit venues across the North of England.

Each event is hosted by a different cross-country ski club, with the four clubs – Lakeland, Manchester, Tyneside and Yorkshire Dales – coming together to create the series.

The events follow a simple format – roller ski as many laps of the cycle circuit as you can in one hour. The series winners are those with the greatest distance skied across the events. You don't have to do all four events, just come along to one if you can. And of course your chances of rising up the rankings increase with each challenge you enter.

These fun challenges are ideal training for those planning to take part in on-snow ski races, or for skiers simply wanting to set themselves a challenge against the clock.
