

## LRNSC ROLLER SKI RACING SERIES 2026

The LRNSC is a set of *fun* races, open to anyone, free to enter and you can take part in as many or as few races as you wish. They run from March through to November, with those accumulating most points from all races being age category winners. There are age categories for U14, U18 and Senior, males and females, and a single category for para skiers.

If you can do a few laps of the Hayes circuit, come along and have some fun! You can also combine each race with a roller ski coaching session. There are *fun prizes* for all participants, too!

The LRNSC Series starts in March and, this year, there will be two additional slightly longer races, both over 12 km (shorter distances for younger skiers). Full Series dates, with all races at Hayes, are:

DATE	EVENT	NOTES
Sun 29 Mar	3 km mass start Fun Race – CT	12:30. Any roller skis in accordance with FIS Rules.
Sun 12 April	12 km time trial – CT	11:00. Swenor Alutechs with No. 2 wheels or no faster (6/3 km junior/novice races).
